On page 2 please explain how you came to be a follower of Christ. Please be as detailed as you can.

On page 3 please explain your journey with Christ from then til now...include major hurdles you have encountered, major victories, doubts you have conquered, growth in which areas, and areas you still need growth in.

On page 4 please explain the last opportunity you had to share Christ with someone who needed to hear about him.

You will be required to give your testimony at various times before, during, or after the trip, so begin working on your testimony in plain terms. Try not to use "Christian" words ("saved, redeemed, Christian, etc.") as you think of how you can describe what Jesus means to you. Think in terms of what your life would be without Jesus, and what your life is like because you know Him.
